ABA Insight promotes a stimulating environment that provides opportunities and exposure to new activities, social interactions, and friendships. Utilizing ABA principles we heavily focus on social and group interaction skills in a fun and dynamic way!

**When: June 15 - September 2\(^{nd}\)**

9a - 12p | Monday-Friday  
12:30p - 3:30p | Monday-Friday

**Summer of Insight Description**

Your loved one will participate in the following curriculum, utilizing group instruction to promote social skills and learning.

- **All About Me**
  Delivers instruction that allows participants to learn about their emotions and those of others while simultaneously exploring leisure activities that spark joy!

  *ADDED BONUS ALERT:* Music Groups are included!

- **Let’s Get Social**
  In a fun, lively atmosphere participants are provided the framework necessary to engage with peers. Opportunities abound to work cooperatively, practice pragmatics, and participate in reciprocal conversation!

- **Healthy Living**
  Instruction is delivered through a variety experiential learning activities that promote healthy living. Activities are sure to be a treat as participants’ are immersed in music, art, and literacy. Development of daily routines and instruction on personal health round out this curriculum, building independence!

- **Superflex\(^{®}\)**
  A social thinking curriculum that guides participants through activities designed to build awareness of their own thinking and social behaviors, while also learning strategies that promote self-regulation. A must for academic preparedness!

We have taken the extra step of creating two “Flights” for Summer of Insight programming so that your loved one is sure to experience the maximum benefit of our curriculum. Please see below for participant demographics to help determine which “Flight” is the best fit!

**Summer of Insight “Flights”**

**FLIGHT ONE**
- Participants are pre-verbal or emerging verbal skills. Their social relationships are just beginning to develop.
- Participants may not yet be toilet-trained and may need assistance with activities of daily living.
- Participants do not require intensive behavioral supports and do not have an active behavior plan.

**FLIGHT TWO**
- Participants can effectively communicate their wants and needs.
- Participants are able to toilet and feed themselves as well as participate in group instruction without 1:1 support.
- Participants may or may not have an IEP.
- Participants do not require intensive behavioral supports and do not have an active behavior plan.

**ENROLLMENT**
- A pre-screening meeting with a Behavior Analyst is required for new participants that would like to enroll in Summer of Insight. By providing your contact info we can schedule an appointment with you.
- During this appointment the Behavior Analyst will perform a brief parent interview and record review to determine best fit, schedule, etc.
- All potential participants must bring a copy of the following documents, as applicable:
  - Individualized Education Plan (IEP)
  - Clinical assessments and/or diagnostic reports
  - Clinical treatment notes (speech therapy, occupational therapy, music therapy)
